Mayor Rule Picks Committee To Beautify Canyon Area

City Hall Gets A New Dress

After 10 years the Sierra Madre City Hall today began receiving a fresh coat of paint. The sorely needed paint job is being done by workmen of the Ed Bruchet Painting Contractors who submitted the low bid of \$1,333 for the job. Work, beginning with the preparation of the old surface through to the completion of the final detail painting, will require less than five working days.

The Sierra Madre City Council authorized the painting to be done and provided funds in the 1968-69 budget even though the building will probably only be used for another two years or so until the new City Hall is constructed. Nevertheless, it was felt that the City should set an example in housekeeping and spend a modest amount to do its part in presenting a good face to the public.

To further beautify the City Hall, some additional landscaping will be added in one of the planters which is now almost bare.

Foothill Area To Elect Officers

Notice is given to all people living in the Canyon area that a meeting of the Foothill Area Association will be held on Sunday, August 4th at the Nature Friends on Yucca Trail Drive at the hour of 3 p.m.

The purpose of the meeting will be the election of officers for the coming year, introduction of new members, and the collection of yearly dues which is now due.

Those attending are asked to bring their picnic lunch and the association will furnish the beverage.

Discussion and plans will be discussed around the newly appointed Mayor's Committee, which is announced in this issue of the News.

Visual Sales Quits Major Appliances

Visual Sales Company owned by Jack Grotewiel is quitting the Major Appliance business, and will sell, near cost, all of his refrigerators, washers and dryers, air conditioners, freezers, ranges, televisions, color and black and white.

If successful in selling out the stock by August 31, he has great plans of expanding his men's casual wear store.

The store located at 47 W. Sierra Madre Blvd., is loaded with major appliances. Zenith, Westinghouse, Gibson, Gaffers and Sattler and RCA Victor, so naturally the first ones at the store will be the ones that will get brand choices, sizes and so forth. But everything must go and go fast states Jack.

Will Not Replace Any Other Organization

Aesthetics of Canyon Will Be Prime Charge of Members; Report Oct. 1

Mayor Ralph R. Rule has announced the formation of a "Mayor's Advisory Committee on Beautification of the Sierra Madre Canyon Area" with the appointment of the following:

Mrs. Robert Astrin, Mr. Ralph I. Brown, Mr. Jerome Stetson, Mrs. Joseph Godley, Dr. H. Rodney Gale, Mr. Joseph Theis and Mr. William Yocom. Councilman Robert C. Hartman will be liaison with the City Council.

The committee will have the overall responsibility for determining a long-range program for the aesthetic aspects of the Sierra Madre Canyon Area in general and the first step in the program will be the consideration of appropriate plantings, of fencing materials, the use of colored concrete, and any other ideas and suggestions related to the proposed realignment and reconstruction of the Flood Control Channel in the Sierra Madre Wash.

The committee will concern itself with the specific items that will bring about the desired effects and the committee will, at the same time, determine the quantity and the cost of materials to be used in the areas adjacent to the channel.

Target date for the first report to the City Council will be October 1, 1968, to permit time to include the landscaping and the screening in the construction project.

Later on the committee will study ways and means of implementing its recommendations in the terms of financing and contributions by the residents and the Committee will work out with the City Staff the problems of perpetual maintenance of the publicly-owned landscaped areas.

Mayor Rule stated that he hoped that this committee would become the nucleus for further studies of the entire Canyon area and that this committee in no way will replace or supplement any present organizations such as the Foothill Areas Association and the Sierra Madre Beautiful Committee. Instead the committee will be seeking the advice and counsel of these and other organized groups.

Parking Area For Canyonites

For some time the residents of Sierra Madre Canyon have requested that an unpaved lot owned by the City and used for parking be paved. However, no action has been taken up to the present time. As part of its 1968-69 program of service, the City estimated the cost of interim paving for the parking lot in question located on the east side of Woodland Drive adjacent to the wash would amount to about \$200, with the City's crews providing a major portion of the labor.

Even though this parking lot will probably be affected by the wash construction, the City Council provided funds in this year's budget to construct this interim convenience to Canyon residents at a nominal cost. During the week beginning July 29, crusher run rock will be laid down and covered with light asphalt.

Depending on other work requirements, the job should be completed by the end of the week.

Even though the lot may be temporary, the convenience value to residents for the next year or so more than justifies the rather nominal cost.

Senior Citizens Mourn Loss of Devoted Member

The July 27 meeting of the Sierra Madre Senior Citizens Club was called to order by the president Herman Dokken at 11:45. Minette Ring gave a tribute to a past member, Eva Jones, who passed on July 22.

She said: "Eva came to us as a visitor on January 15, 1966 and joined our Sierra Madre Senior Citizens Club that day. Her sweet personality and friendliness was enjoyed by all. She served the club as hostess in 1967. We are blessed to have had her life touch ours. May she find peace and health with our Heavenly Father."

The Lord's Prayer was recited and Mr. Dokken led the group in the Pledge of Allegiance to the Flag, followed by singing of "God Bless America," "Happy Birthday," and "Onward Christian Soldiers," and "In the Evening by the Moonlight." Roland Ridgeway sang a solo "William Peters' Home on the Range," with Vivian Singleton at the piano.

M.W.D. ANSWERS

On July 26, at 10 a.m. Boyd Kern, secretary-treasurer, San Gabriel Valley Municipal Water District, Perry Brown, director, William M. Whiteside, vice president and director and Emmett A. Tompkins, attorney for the district met with members of the Water Problems Committee and other officials of Metropolitan Water District including Joseph Jensen, president, Henry Mills, general manager, John Lauten, chief counsel. The meeting was chaired by Ransom Chase, chairman of the Water Problems Committee.

Representatives of the city administrations of Alhambra, Azusa, Monterey Park and Sierra Madre were also present. The meeting was held for the purpose of presenting questions and securing answers from the officials of Metropolitan Water District pertaining to the cost and conditions of annexation of the San Gabriel Valley Municipal Water District to Metropolitan Water District.

The total attendance was approximately 30 persons. The following questions were considered and the following answers given:

Annexation To Metropolitan Water District
Ques. What is the lowest cost and procedure of annexation?
Ans. The cost of San Gabriel Valley Municipal Water District joining Metropolitan Water District was given as approximately \$16,000,000, cash or \$27,500,000 over a 30 year period.

Ques. What are the terms of payment (time and interest rate)?
Ans. The tax rate required to meet this cost was estimated to be 30c per \$100.00 assessed valuation. The cost is as high as the District has considered for the past several years. There has been no change.

Ques. Will Metropolitan Water District assume the San Gabriel Valley Municipal Water District's State contract?
Ans. Yes, if the State of California consents.

Ques. Will Metropolitan Water District give San Gabriel Valley Municipal Water District credit for its water?
Ans. Yes, if the State of California consents.

Ques. Will Metropolitan Water District give San Gabriel Valley Municipal Water District credit for its water?

Ans. Yes, if the State of California consents.

THREE GENERATIONS — Mrs. Minnie Beardsley becomes the first signatory on her daughter Nancy's petition urging the nomination of Sen. Eugene J. McCarthy by the Democratic National Convention as her grandchildren Ricky, Joel and Jeff look on. The family, like 700 others in the Southland, has opened its home as a McCarthy for President Home Center, offering petitions, literature, bumper stickers, posters and buttons and serving as a local meeting place for Sierra Madre residents involved in the grass roots campaign to elect Sen. McCarthy for the presidency. They are located at 154 S. Lima, Sierra Madre.

McCarthy Is Her Man For Prexy

Political action at a real grassroots level has sprung up in neighborhoods throughout Sierra Madre with the opening of private residences to serve as neighborhood campaign centers for Senator Eugene McCarthy.

As part of a people-to-people campaign throughout Southern California, several residents of Sierra Madre have volunteered their homes and time as a clearing house for local citizens to visit, sign and take petitions, discuss the issues, and find out what's going on in Senator McCarthy's continuing drive for the Democratic Presidential nomination.

McCarthy's summer campaign in this area is concentrating on two main thrusts. The first is the nationwide petition drive addressed to the delegates of the national convention in Chicago, urging an open convention and endorsing McCarthy's nomination.

Roess-Quinn Wedding Vows Recited July 27

Announcement was made this week of the marriage of Lillian Young Roess of Sierra Madre to John F. Quinn of Long Beach.

The couple had known each other for the past 50 years, and repeated the wedding vows before Reverend Anderson, minister of the Sierra Madre Congregational Church on Saturday, July 27.

The couple will enjoy a short honeymoon and will eventually take up their residence at Leisure World.

Sierra Madrean Explains Local Indian Center

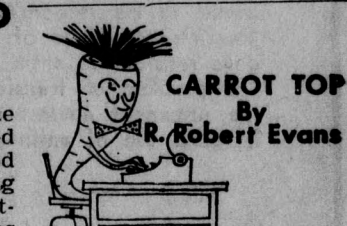

UCLA Law School student David S. Tiller, 23, son of Mr. and Mrs. Dixie-Erl Tiller, 125 N. Sunnyside, recently visited Dist. Atty. Evelle J. Younger to explain the objectives of the Los Angeles Indian Center, 3446 West First St.

Tiller, who is part Cherokee, works at the center as an employment counselor. The center, he told Younger, is the only Indian-run facility available to some 50,000 American Indians in the Los Angeles area.

Commissioner of social affairs at UCLA Law School, Tiller noted that one of the problems facing Indians is the adjustment to urban living. The center, he explained, offers advice and helps to find jobs for Indians, many of whom are not familiar with laws as they affect residents of an urban area.

In addition to working at the center, Tiller assists, the California Rural Legal Assistance.

He was born in Sierra Madre, graduated from Pasadena High School in 1963 and UC-Riverside, where he was awarded a Phi Beta Kappa key. He is in the moot court honors program at UCLA.

After what I saw in Sierra Madre the past week, I have come to the conclusion that I am not going to get too far out of town for any length of time.

Monday morning a bulldozer and crews arrived in Sierra Madre around 6:30 a.m. Happening to go down Sierra Madre Blvd. around 9:30 that same morning, I noticed one complete house missing at 224. Town down and carted away in less than three hours. Again on Thursday, coming to work via East Sierra Madre Blvd., I noticed a bulldozer and truck in front of a business known as Mack's Garage. By 1 p.m. it was no more. It had been completely torn down and carted away.

—CT—

The moral of this little story is... don't go too far away, you may return to find your business, building and all, has been "carted away." And from what I have heard around City Hall and the City Council... there are going to be several of these carted away fairly soon, with concentration in the Canyon area... Hold on to your bed, could be that you will be sleeping under the stars.

—CT—

As we see it... property rights are not too popular at the moment. They seem to have been set aside in favor of the euphemistic "human rights." Lost in the sound and fury is the sobering truth that so-called human rights are worthless without corresponding property rights. Western society has long held that a man is entitled to the product of his labor. This labor, whether it be manual or mental, is of value only when exchanged for some material thing, i.e., some property. Property is nothing less than an extension of a person's being.

—CT—

I heard an interesting conversation the other day... seems that a man from Sierra Madre was having a great deal of trouble telling the difference between his dog and the neighbor's dog... both were from the same litter, same age, same breed.

—CT—

He tried cutting the tail off one and the ruff off the other... but this just didn't work, for in a short time both grew back.

—CT—

Then he had a blinding inspiration. He measured the dogs... The black dog was two inches taller than the white dog, so from that time on his problem was solved... he could definitely tell them apart.

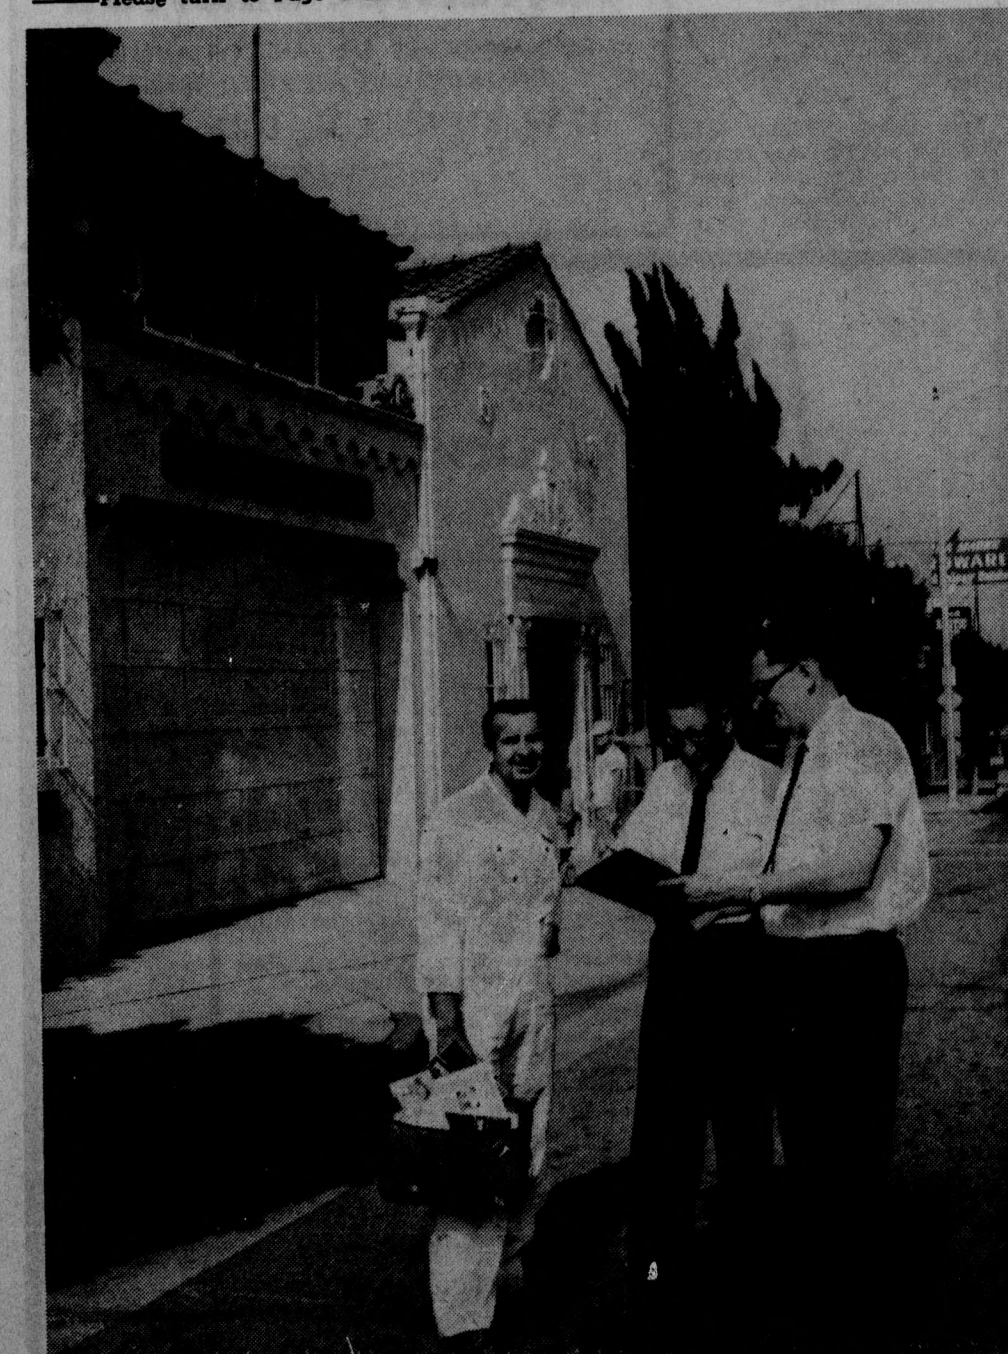

—CT—

Of course the one that really put me in stitches happened the other day at the corner of Baldwin and Sierra Madre Blvd... a car came to a screeching halt, barely missing a white-haired old lady.

—CT—

But instead of the white-haired lady giving the driver a tongue-lashing, she recovered herself quickly, smiled sweetly, and pointed to a pair of baby shoes dangling from the rear-view mirror... "Young man."

HEAVY READING but IMPORTANT

SHIGELLA is a genus of microorganisms which cause bacillary dysentery. This enterobacterium (intestinal bacteria) is one of the causes of some diarrheas, and it will be the "actor" in this presentation. In a recent issue of our Medical Letter the following passage occurs, and we quote:

"Recent studies have shown that the genetic factors determining resistance to antimicrobial (antibiotic) drugs (R factors) can be transferred from one enterobacterium to another. Shigella are particularly susceptible to transferable drug resistance. Frequently R factors confer resistance to more than one antimicrobial drug. Such transfer compounds the problem of resistance to antimicrobial drugs, and is believed to be responsible for the increasing occurrence of strains of Shigella resistant to antimicrobial agents. The problem of transfers strengthens the argument against unnecessary or injudicious use of antimicrobials."

This last sentence shows why your doctor only gives you a limited quantity of an antibiotic (usually just enough for 4 days treatment). Our antibiotics are one of our most valuable medications, but — they must be used only as directed by your physician — he knows best — consult him always!

There are certain little homilies that you learn at your mother's knee that tend to stay with you all of your life.

For instance "do unto others as you would them to do unto you," or "pretty is as pretty does," "a stitch in time saves nine," "a penny saved is a penny earned," and certainly not least of the lot is one my mother used to kind of urge me to do what I didn't want to do in the first place. — She used to say as I procrastinated "Toni dear" (she used to call me Toni dear when she was trying to make a good point). "Toni dear — remember you must be like the U.S. Mail! 'Thru rain and hail and sleet and snow the mail must go thru and here you are dragging your feet!'"

You know that kind of gets you when your very own mothers holds you up as being responsible as the U.S. Mail. That is really quite a compliment when you get right down to it. Just what could be more steady than our faithful carriers of the U.S. Mail? It made you feel down — right secure knowing that somehow those boys of ours would make it thru and bring all of those "Dear Occupant" letters.

How are we going to tell our children that suddenly our government has become so insecure because of poor budgeting it is being forced to cut down our service and possibly only deliver four days a week. That really rocks you right to the foundations doesn't it? Admittedly I don't get mail every day that is worth the walk down to the box to pick it up but you have no idea how much I look forward to that walk. I save up my energy all morning just to make it down the hill and back.

You never know till you open up that little tiny door and peer in just what might be in store for you. Why only yesterday I got a letter in the mail that said I may have already won \$25,000. Now how often do you win that much money, I ask you? It doesn't make one whit of difference that I didn't, it's just the fact that I may have and the mail bearing these hopeful tidings was delivered right to my little box with my very own name printed on the envelope. These are the little things that make life so worth while.

I suppose in time we will learn to adjust but it ain't going to be easy. The saddest part of the whole upheaval is that we won't save one single tax dollar if they do cut down — matter of fact they'll probably raise the taxes to support the unemployed postal workers. This is called progress!??

CRIB CROP

It's a pleasure to congratulate Stephen and Patricia Robinson, of 375 E. Laurel Avenue on the birth of their first child, James William Bruce Robinson was born on July 11 at the Arcadia Methodist Hospital and he weighed 8 pounds 5 ounces. James got his first name from his paternal grandfather, the late Captain H. J. Robinson and the "William" is after his maternal grandfather, while "Bruce" is for himself. Patricia is his grandmother, Mrs. Frieda Robinson is pretty lucky;

living with her son and daughter-in-law, she will get to see young James anytime she wants to. The paternal grandparents, Mr. and Mrs. F. W. Neal, will not get a chance to meet newest grandchild in person until they arrive in October for a visit from their home in Cambridge, England.

Concerts In The Park To Start August 3

"Concerts Under the Stars," an annual presentation at the Sierra Madre Memorial Park Band Shell, will feature a night of vocal entertainment on Saturday, August 3, at 8 p.m.

The Sierra Madre Light Opera Association, under the direction of William and Adele Pirigyi, sponsored by Music For Everyone will perform a varied program of choral selections, duets and solos as well as several instrumental numbers. Members of the company include: Martha Murray, Irene Tomheim, Nancy Peterson, Rosejane Rudice, Dierdre Green, Lisa Geler, Kit Faubion, Mary Etter, Roxanne Wender, Linda Magid, Joanne Cohn, Susie Pawson, Frank Green, Adolf Gruenfeld, Thomas Moynihan, Gaynor Silvera, Roger Sierseveld and Mr. Simpson. The Association was formed last February and gave its first performance of Sigmund Romberg's, "The Student Prince" last May 18, at the Woman's Club. This coming November 1 and 2, the company will give two performances of Jerome Kern's "Showboat."

The objective of Mr. and Mrs. Pirigyi, who recently became residents of Sierra Madre, is to further culture in Sierra Madre. Anyone wishing to tryout for the Association may come to the rehearsals, held every Thursday evening at 7:30 p.m. in the Woman's Club at 270 W. Sierra Madre Blvd.

Further programs are planned by the vocal group, the next being a concert version of "The Student Prince." Date to be announced later.

The Department of Parks and Recreation would appreciate hearing from the public in general as to programs they would like to see put on at the park.

Mrs. Ralph Rule Appointed As Director

The final luncheon meeting for the year of the Council of Women's Clubs was held Thursday in the Women's City Club of Pasadena, 160 N. Oakland Ave. Following the luncheon, officers were installed for the forthcoming year. Mrs. Willard J. Stone will assume the post of president. Others installed were Mrs. Norman D. Hewitt and Mrs. Marshall Johnstone, vice presidents; Mrs. R. W. Blake, recording secretary; Samuel Golstein, corresponding secretary, and Alex DiPippo, treasurer.

Directors are Mrs. Ralph Rule, membership; Mrs. Charles Sullivan, public relations; Mrs. Kermit Jacobson, Council Comments, and Mrs. Samuel Laidig, Woman of the Month.

Seventy-five active member organizations in the Pasadena-Poolhill area comprise the Council of Women's Clubs. These organizations are entirely or in part composed of women, with civic, cultural, educational or philanthropic purposes.

Hobo Couples Party August 3

A Hobo Couples Party is planned for all the "wandering" Shakespeare Club Juniors on Saturday, August 3, at 7:30 p.m. The home of Mr. and Mrs. James Dolan at 261 Walnut in Arcadia is the "Hobo City" sight with steaks, salads, beans, breads, and desserts being the order of the day. Hobos are asked to take their own steaks, knives, forks and tin cans. The refreshments are being furnished by the entertainment and sports committees.

Prizes will be awarded to the "best dressed Hobo of the year." There will be swimming, ping-pong, volleyball, dancing, singing, eating and drinking — and just plain ole' jawing!

In charge of this rare Hobo's delight is Mrs. James Dolan and Mrs. Peter Norvell.

L.A. County Health Dept. Needs Help

Volunteers are needed for various assignments in the Los Angeles County Health Department, Monrovia Health District, according to Dr. Chester C. Burski, District Health Officer. Volunteer openings are available in the Sierra Madre and Azusa Child Health Clinics, in addition to openings in the Monrovia Health Center.

Volunteers work under the supervision of a public health physician and assist in various clinic activities including record keeping, physical examinations, vision testing, hearing testing, immunizations against communicable diseases, weighing and measuring children, and child observation at play sessions.

Volunteers are an essential part of the many services provided by the County Health Department's maternal and child health program. Through the volunteer's efforts, professional workers are free to serve a larger portion of the County's increasing population.

Interviewing for interested volunteers will be conducted August 8, from 9 a.m. to 4 p.m., at the Monrovia Health Center, 330 W. Maple Ave. Anyone who would like to learn more about this important service may call Mrs. Dorothy Boyd, Division of Health Education, 334-1201.

Lyndon Johnson, President: "The bill (crime bill) contains more good than bad. I believe that it is in America's best interests that I sign this law."

Fleckenstein - Salazar Wedding Vows Repeated In Mid-June In San Gabriel

MRS. MICHAEL SALAZAR
... Nee Judi Lee Fleckenstein

In a lovely evening ceremony Miss Judi Lee Fleckenstein and Michael H. Salazar were united in marriage in the Mayflower Congregational Church, San Gabriel. Judi is the daughter of the late Mrs. Eleanor Fleckenstein and grand-daughter of Mrs. Joseph R. Lowry, Sierra Madre.

Judi was given in marriage by her uncle, William H. Pursley, Hastings Ranch, and was attended by her sister, Mrs. Walter K. Wilson, matron of honor, and the Misses Sandra Branfield, Betty Pryor and cousin Diana Pursley, bridesmaids. Miss Constance Pursley attended at the guestbook and Miss Joanne Fleckenstein was the flower girl.

Serving as best man was Stephen H. Smith and the ushers were James Bevis, Dennis Brown and the bridegroom's cousin from Chicago, William Sarabach.

The bride wore a gown of silk organza with lace inserts in the full skirt and bodice. Her silk illusion veil was secured by a crown of seed pearls. Her cultured pearls had been worn by the bridegroom's mother and grandmother in their wedding. She carried a bouquet of daisies and white roses. Her attendants were attired in gowns of lemon yellow accented with daisies across the bodice and down the back and they carried white baskets of cascading daisies. The wedding reception was held in the church for the 150 guests.

Immediately following the ceremony the couple left on their honeymoon trip to Carmel and Monterey and are now at home in Pasadena. The bride is a graduate of Pasadena High School and Pasadena City College. The bridegroom graduated from Pasadena High School and one week before the wedding graduated from San Diego State College with a degree in marine biology.

Mike is the son of Mr. and Mrs. Raymond Salazar, Las Lunas St., Pasadena.

Mrs. Leo (Ann) Tancrell, the lady who makes those charming little creatures out of bleached dried bones, is still creating them. She presently has some on display, and for sale, at the Art Craft Shop of the Pasadena Community Center. What a fun hobby!

Strom Thurmond, Senator (R-NC): "The chief key to the gun control problem are swift apprehension and certain punishment for those who violate the law."

Conversationalist: One who appreciates the sound of his, or her, own voice.

Miss Steinberger Services To Be Thurs., Aug. 1

Death came suddenly to
Miss Elizabeth Steinberger,
age 83 as she was vacation-
ing with her brother, Guy,
at Lake Isabella in Kern
County. Services will be
held at the Ripple Mortuary
Chapel on Thursday morn-
ing, August 1, at the hour
of 11 a.m. with Rev. Wil-
liam W. Worstell officiat-
ing.

Miss Steinberger was a
retired teacher of Sierra
Madre schools and lived at
529 Mariposa Ave. She was
born in Reno, Nevada, com-
ing to Sierra Madre at the
age of 6 months.

She was a charter mem-
ber of the Sierra Madre
Woman's Club, a member of
Eastern Star, teacher in
S.M. Schools for 20 years
and principal for 17 years.
Member of Delta Kappa
Gamma; American Legion
Auxiliary and an ex-mem-
ber of the Sierra Madre
Planning Commission.

Brothers and sisters left
behind are Guy D. Stein-
berger of Upland; Milton J.
Steinberger of Seal Beach
and Laurel E. Steinberger
of San Fernando and one
sister, Dr. Edith Weston of
Alamo, Calif.

Interment will be in San
Gabriel Cemetery.

Fire Prevention Program

Fire fighters from the
County of Los Angeles Fire
Department and the United
States Forest Service will be
calling on homeowners in the
foothills beginning Aug-
ust 5, asking their cooper-
ation in preventing disas-
trous brush fires.

This is part of an annual
program conducted in the
watershed areas by these
two agencies, according to
Keith E. Klinger, County
Fire Chief, and William T.
Dresser, Supervisor of the
Angelo National Forest. In
addition to fire prevention
tips and literature, each
homeowner will receive a
telephone sticker listing the
correct emergency number
to use to report an emer-
gency.

Fire responses this season
are nearly double over the
same period in 1967. With
months of dry weather
ahead, the firefighters are
urging residents to use ex-
treme caution and to prac-
tice good fire safety.

Children playing with
matches are a major cause
of grass and brush fires.
Parents should counsel their
children on the dangers of
fire — and practice good
fire safety by putting
matches out of reach of
small children.

Homeowners also are re-
minded that Federal legis-
lation requires the U.S.
Forest Service to collect the
total cost of fire suppression
for fires which burn into
the Angelo National Forest.
People found responsible for
causing brush fires are li-
able for these costs.

Homeowners are invited
to discuss fire prevention
problems with the firefigh-
ters or rangers when they
call.

Because all fire appa-
ratus is radio equipped, the
firefighters will be immedi-
ately available for response
should they be needed at
an emergency while on
their fire prevention visits.

Bethany Church 50-Woman Choir

The Women's Chorus from
Bethany Church will be a
featured part of the regular
7 p.m. evening service on
August 4. The chorus will
consist of 50 women from
the church under the direc-
tion of Mr. Marvin McKis-
sick, minister of music, and
they will present several
musical selections.

The evening service will
be held in the patio of the
church, and Rev. Robert
Vander Zaag will speak on
the subject "A Blessing
That Became a Curse" taken
from II Kings 18:1-8. This
Scripture passage shows
clearly that at times life's
greatest blessings can be-
come a curse to our lives
when used improperly.

John Crawford Participates In Program

John Crawford, the son of
Mr. and Mrs. Kenneth W.
Crawford, of 412 W. Man-
zanita, is participating in
the Occidental College Sum-
mer Intern Program.

The intern program serves
a two-fold function by en-
abling employers to identi-
fy talent in sophomore and
junior year college students,
and by providing the partic-
ipating student (and possi-
ble future employee) an
insight into business which
he otherwise might not re-
ceive during his years at
college.

Crawford, a junior Diplo-
macy & World Affairs stu-
dent at Occidental, is tak-
ing part in the Summer
Management Training Pro-
gram. His work involves a
two-week orientation pro-
gram with rotational assign-
ments in various depart-
ments within an insurance
company, and a ten week
on-the-job assignment in an
operation department.

There are some men in

Arcadia Rainbow Mother's Degree Most Impressive

One of the most beautiful
and impressive Rainbow
Mother's Degree to honor
the mothers of all Rainbow
girls was conducted by
Nancy Cannon, Worthy Ad-
visor for Arcadia Assembly
No. 131 on the evening of
July 9, for the Arcadia
Chapter, Order of Eastern
Star, at the Masonic Temple
in Arcadia.

Escorted to the East were
Mrs. Ruth Guinn, Worthy
Matron, Arcadia Chapter,
Order of Eastern Star and
Worthy Patron, Mr. Ken
Martin, Arcadia Chapter,
Order of Eastern Star.

The Mother's Degree
shows one of the greatest
special lessons taught to
Rainbow Girls, to honor
their mothers. Seven Bow
Officers present flowers in
colors of red, orange, yel-
low, green, blue, indigo and
violet, appropriate to her
Station as a special Tribute
to the mothers.

During the evening, Mr.
Hugh Buck, Rainbow Dad
for the Assembly was intro-
duced, and Alice Billman
gave the Flag Tribute. A
monetary gift was present-
ed to the Assembly by the
Arcadia Chapter, Order of
Eastern Star.

Delicious refreshments
were served to the Rainbow
Girls in the dining room at
the completion of the cere-
monies.

A wise guy has declared
that while the dollar may
not go as far as it used to,
what it lacks in distance, it
makes up in speed.

Legion Auxiliary Holds Picnic

Members of the Sierra
Madre American Legion
Auxiliary enjoyed a family
picnic on July 25 at the
Arcadia Park. Guests in-
cluded: Mr. and Mrs. Mar-
tin Olson, Mrs. Edna Grier,
Roy Pickett, Kari, Heidi and
Ricky Johnson, Ralph Bent,
Sue Curtis, Ted Proctor,
Donald and David Proctor.
The regular August busi-
ness meeting will be held
Thursday, August 8, at 8
p.m. at the home of Mrs.
Mabel Perry, 40 S. Hermosa.

City Hall Painted

As a further convenience
to the public, the parking
area on the west side of the
City Hall will shortly be re-
served for City Hall visitor
parking only.

"We are trying to make
City Hall presentable to the
public with a minimum cash
outlay," remarked City Ad-
ministrator Norman Boehm.
"In view of the fact that we
will probably be here an-
other two years and in view
of our public appearance
responsibility to the public,
we certainly feel this small
expenditure is justified."

Taiwan was not able to make the trip at this time. It was especially interesting for Mrs. Klingerman to talk to her about her new country inasmuch as the Klingermans are planning a trip to the Orient in October and will be with the Donmores some time in November. Old friends gathered round for the visit were Mrs. Byron Cavaney, Mrs. Paul DuBois, Mrs. Ray Dennis, Mrs. William A. Flood, Mrs. Ray George, Mrs. Horace Proulx, Mrs. Jesse Hill, Mrs. Robert Norene, Mrs. Donald Watson, Mrs. F. J. Schmitt, and Mrs. Elwood Laine.

The C.F. Guild borrowed a little of the current fads for their annual summer party.

Their invitations were sent on gay flowered paper bidding the members to a "Flower Power" party, as the Maharishi says: "Make Love Not War" was the quotation used to bid them for a "transcendental meditation."

I'm not sure just how much meditating was done but the guests all had a marvelous time rigging themselves out in the true spirit of the theme with wigs and beads and strange kinds of clothes. We would have put a true disciple to the cause to such shame they would have probably joined a "hate" group.

The party started out with libation and food at the Phil Shepherds followed by dancing, love-in and rioting at the Don Hays. All the members were allowed to bring one couple as guests.

The flower children that were there were the Don Hays and the Mike Marshaks, the Charlie Hardisons and the Jim Smiths, the Tony Bolands, Lou Dicksons, Richard Esben-shades, the Richard Fox's and their guests, the Dom Giangregorios, the Frances Howells, the Robert Hunts,

the Robert Measons, the Forest Paxsons, the Wells Pleas, the Gene Rodes and the Ernie Maurins, the Phil Shepherds and the Sio-c-harts, the Matt Slavins, the Henry Smithers, the John Thompsons, the Ronald Wints, the Gordon Wrights, Delores Zinsmeyer, the John Hedricks, the Schacketts, the Howard Morggridges, the Raymond Considines and their guests, the E. Talbot Dennis, Mrs. Victor Caffee with her daughter, Debra Sweatman and their guests the William Roberts.

The committee members in charge of the party were Phyllis Hardison, Nancy Rode, Edna Meason, Katie Fox, and Daphne Thompson.

County Public Health License Renewal Deadline

Public Health Licenses not renewed by Wednesday, July 31, will require the additional payment of a 25 per cent delinquent penalty, Harold J. Ostly, Los Angeles County Tax and License Collector, reminded Public Health License holders today.

Owners or operators of boarding houses and apartment houses of five or more units; operators of food handling, processing or preparation business — such as restaurants or food markets — or any other business requiring a health inspection, must have an annually renewable Public Health License, the Tax and License Collector stated.

Renewal notices were mailed out and should have been received by the Licensee. If a renewal notice was not received, or you do not have a current license, the License Division of the County Tax Collector's Office should be contacted at once at 625-3611, extension 65776.

SPORTS

AS Hank Ives SEES IT

THE LOS ANGELES STARS of the ABA inked another local product last week when they signed Lloyd Higgins, a three year star at Pasadena College. Higgins joins Ben Foster, another Crusader great, in the Stars fold. Lloyd can really leap. He high jumped 6-10 last season in his only indoor effort of the year and won the NAIA title. In 1966 he won the NAIA outdoor high-jumping championship. A solid all-around ballplayer, good shooter, rebounder and threat at either forward or guard, Higgins figures to make the grade with Bill Sharman's Twinks.

THE SAN GABRIEL VALLEY PREP ALL-STAR classic slated for Aug. 15 at Citrus Stadium, has a pair of lovely 18-year old high school girls serving as queens of the East and West. Linda Ree Orr of Workman High in La Puente will serve the East with Sigrie Eileen Leighton maintaining the same duties for the West.

ODDS AND ENDS . . . They call Dee Andros, highly successful mentor at Oregon State, the Great Pumpkin . . . USC is planning a TV documentary on football ace O. J. Simpson early in the fall . . . Johnny McKay had to be happy that Steve Sogge decided to return for another grid season. An experienced QB is a necessity these days.

WHO DO YOU THINK will win the runnerup spot in the Western Division of the NBA, St. Louis or San Francisco? First place seems to be all but wrapped up with the Stilt joining Elg and Jerry. I mean, how can a team with three "superstars" miss? Quite a burden to put on the very capable shoulders of Butch van Breda Kolff. If he wins — he should have. If he loses — why didn't he win?

MORE ODDS AND ENDS . . . They say Duke Snider will go mikeside with the new San Diego baseball team . . . Midwesterners still think Leroy Keyes is superior to USC's O. J. Simpson. . . Ain't no way . . .

Will a baseball manager ever be fired "in good taste"? Gene Mauch was at

the bedside of his ailing wife when he got the news and Hank Bauer was dumped while he was home visiting friends.

QUOTABLE QUOTES . . . "I don't think the acquisition of Chamberlain necessarily will concede the title to the Lakers. After all, you can't divide the ball three ways."

MORE ON O. J. . . . The Trojan's "Orange Juice" man has already been interviewed by Life, Look and the Saturday Evening Post for preseason football stories. He also will be the "coverboy" for Sports Magazine and Street and Smith Annual and the Pyramid Year Book.

HAVE YOU NOTICED the decline of the Cincinnati Reds, who had climbed to second place in the N.L. corresponds directly with the loss of Pete Rose by injury. He's some kind of a ball player and perhaps the best hustler in the game today. (Little Leaguers take note.)

ISN'T IT ABOUT TIME that Jimmy Ellis signed to fight Joe Frazier?

THE SOCCER WOLVES have to be hurting when just a shade over 1,000 fans turn out on a Sunday afternoon to watch a gnudge game with the Toros.

HOW DO YOU LIKE TIE FOOTBALL GAMES? It has been suggested that teams play a sudden death overtime with each team given a chance to advance the ball for four downs and the team moving it the furthest getting the victory. I like the idea.

COME IN ALBACORE GET HOT. DISAPPOINTMENT OF THE YEAR on the local scene would have to be Zolio Versailles who isn't hitting his weight or fielding worth his salt as a Dodger shortstop. Won't Ron Fairly go on the expansion list along with Bob Bailey? As bad as they are, they still lead the team in RBI's.

Hubert Humphrey, Vice President: "If the states don't adopt—and right away—legislation requiring the registration of all firearms, then the Congress must."

Letters To the Editor

Dear Editor:

It would be difficult to think of any action which would provide the Communists and left-wing forces in the United States a greater victory at this time than changing the name of the House Committee on Un-American Activities. To change that title to what might become known as the HISS Committee is unthinkable, for reasons which should need no explanation.

Services Held For Maude M. Bigelow

The Rev. Charles A. Hammond officiated at a private memorial service Friday, July 26 at 11 a.m. at the Presbyterian Church for Mrs. Maude M. Bigelow.

The 81 year old housewife passed away suddenly at St. Luke Hospital on July 23. Her home address was 47 N. Auburn and, originally from New York, she had lived in Sierra Madre, and California for 23 years.

Survivors include: a daughter, Mrs. Robert B. Frederick, Sierra Madre; a son, Frank Miller Bigelow, Fayetteville, New York; and a sister, Mrs. Jane Miller Addis, Bonton, New Jersey. Also five grandchildren: Mrs. Joan P. Thompson, Sierra Madre; Mark R. Frederick, Sierra Madre; Judith M. Bigelow, New York; David C. P. Bigelow, Connecticut; and Bayard Bigelow, III, Connecticut.

Interment was at the Pasadena Mausoleum.

For over 30 years, the left-wing element and the Communists have sought to destroy the HCUA, but because of strong anti-Communists in Congress and elsewhere, the Committee has survived, despite the constant smear campaigns.

If the Communists can, through constant smear campaigns, convince the American public and Congress that anti-Communist groups, such as the HCUA, the FBI and other anti-Communist organizations have bad names, then the Communists will have succeeded in utilizing their divide-and-conquer technique to full advantage again.

I am not ashamed of the House Committee on Un-American Activities, the work it has done, nor the methods it has used. In fact, I am proud of it, just as I am proud of the FBI. If changes must be made to clarify its mandate, then that should be considered; but I am afraid that to change its name, while supposedly trying to change or clarify its mandate, will not only destroy the House Committee but also eventually anti-Communism in America.

Americans wishing to maintain the House Committee on Un-American Activities, should write their Congressmen, urging them to defeat House Resolution Number 149.

Yours truly,
—Richard E. Woodin.

'He Shall Be Like A Tree' To Be Sermon

"He Shall Be Like a Tree" is the subject of the lesson-sermon of Rev. Margaret M. Stevens, minister of the Santa Anita Church, 226 W. Colorado Blvd., Arcadia, on August 4 at 9:30 a.m. The public is cordially invited to join in the worship. Infant and child care is provided during the service.

Classes are conducted for children from pre-school through tenth grade after a 15 minute worship service in the sanctuary. High school youths and young adults hold their meetings on the first and third Sunday evenings at 7 o'clock.

All women are invited to attend the study class on successful living at 11 a.m. Thursdays led by Rev. Stevens. There is a time of service and fellowship after the class. Take a sandwich and plan to stay in the afternoon says the invitation.

Applications are available for the 1968-69 school year at the Ethel Barnhart School — from kindergarten through eighth grade. There is to be a summer school session from August 19 — September 13 from 8:40 a.m. to 12 noon. Inquiries concerning the summer session may be made by calling 446-8206.

Rev. Stevens says: "Dial-for-prayer, 447-6162 and Youth Tele-Truth, 446-2333."

Almost everyone is enthusiastic over a new job with more pay.

Errors often arise when men try to prove that they have been right.

Announced By Rev. Armin Hesse

"A Wedding Psalm" will be the pulpit theme of the Rev. Armin Hesse in the 10 o'clock Sunday morning service at Faith Lutheran Church, 845 Hastings Ranch Drive. The exposition of Psalm 45, together with its New Testament fullness, will be another in the minister's current series on selected Psalms entitled "Singing Through the Summer."

A fellowship coffee period in the church patio will follow the service with Mr. and Mrs. C. H. Gerke serving as the congregational hosts.

The following events are scheduled on the church calendar for next week: Walther League discussion gathering on Sunday night at 7; Sunday school teachers' meeting on Tuesday evening at 7:30; Walther League recreational night on Wednesday at 6:30; and Junior High sports night on Thursday at 6:30; Board of Fiscal Affairs on Wednesday evening at 7:30; Lutheran Women's Missionary League board meeting at the Robert Beckstrom home on Thursday morning at 9:30; and Senior Choir rehearsal on Thursday night at 8.

All members of the congregation have been invited to attend the marriage ceremony of Miss Donna Emmons to Mr. Philip Crosier on Saturday evening at 7, in the church sanctuary. Plans are being finalized by Mr. Donald Hingst, the church's Minister of Education and Youth, for the Children's Vacation Bible School, to be conducted August 19 to 30.

Senior Citizens

A beautifully decorated table was set for the July birthday members. Edna Greir, Maxine Miller, Bernice Olsen, Vivian Singleton, Betsy Stevens and a place was set for Adalade Kirk, who is moving to the Green Hotel in Pasadena and will not be a member when her birthday comes.

Following a recess for luncheon the door prizes were awarded by Charles Ring. The corresponding secretary, Lucy Fergin, is in the local hospital and best wishes for her speedy recovery were expressed.

The minutes of the July 20 meeting were read by Dorothy Crouchley in the absence of Millie Freislinger. Pearl Patterson gave the treasurer's report.

Mrs. Ring was called on to give a report of the wonderful trip to Yellowstone National Park that was enjoyed by Mr. and Mrs. Charles Newell, Vivian Singleton, Minette Ring, Pearl Patterson and many members from Golden Age Club in Arcadia and Los Angeles Senior Citizens members.

It was a ten day trip sponsored by the County Senior Citizens Travel Department. The trip covered eight states and was planned with a hostess and a most competent driver.

Mrs. Ring read an invitation from KTTV to the members to preview a new fall show featuring Donald O'Connor and guests in September. Following the business meeting the club adjourned for an afternoon of cards and games.

expenses to date of annexation?

Ans. Metropolitan Water District will give San Gabriel Valley Municipal Water District credit only for the amount paid under the State contract.

Ques. What is the total of all authorized bonds of Metropolitan Water District to date; total outstanding?

Ans. \$665,000,000 authorized and unissued bonds. In addition to this they have outstanding and sold a total of \$313,512,000 bonds.

Ques. What is the total of Metropolitan Water District's 1968-1969 assessed valuation?

Ans. The 1967-68 assessed valuation is \$22,732,000,000. It is anticipated that the 1968-69 assessed valuation will be approximately 5 per cent higher, making a total of \$23,868,000,000.

Ques. What is Metropolitan Water District's projected water rate for spreading, treated and surplus water?

Ans. These rates are fixed only for a 3 year period. The present rates are: Spreading surplus untreated Colorado River water \$19.00 per acre foot which automatically increases \$1.00 per acre foot per year for the years 1969 and 1970. Treated Colorado River water \$46.00 per acre foot which may go up to \$75.00 per acre foot.

Ques. What would be the source of water from Metropolitan Water District that would be available to each of the four cities?

Ans. Colorado River water only until 1976. Metropolitan Water District has complete control and will not agree to furnish water from any one source.

Ques. What would be the San Gabriel Valley Municipal Water District's water entitlement upon joining Metropolitan Water District?

Ans. No entitlement whatsoever.

Ques. Would Metropolitan Water District make available the 28,800 acre feet per year of Feather River water in the San Gabriel Valley Municipal Water District's contract to the four cities?

Ans. No.

Ques. What would be the time of Metropolitan Water District's construction schedule for such a pipeline?

Ans. Metropolitan Water District's policy is to have no joint construction or operation of any facility including joint ownership with any other district.

State Reach Across Lytle Creek Wash

Ques. Would Metropolitan Water District join with San Bernardino Valley Municipal Water District and San Gabriel Valley Municipal Water District in requesting the State to construct a reach westerly from Devil Canyon to be paid for by proration among the three districts?

Ans. The general attitude was negative although some members of the Water Problems Committee suggested that this deserved a study.

Ques. Would Metropolitan Water District participate in this procedure in time for water delivery in 1972?

Ans. Unanswered until completion of such a study.

Resident Dies

Lillian Ann Kimball passed away July 26. She had been a resident of Sierra Madre 30 years and is survived by her husband, Louis F. Kimball; her daughter, Ruth K. Evans of Altadena; three children in Colorado, one in Oregon and two in California.

Services an interment, in Greeley, Colorado.

Every child should have his chores, whether the family be rich or poor, and yet it is surprising how often the unhealthy allow their children to live idle, wasted lives.

Letters To the Editor

Dear Editor:

I have some comments regarding the canyon and the problems faced by the residents here. We are mostly of the opinion that people should be left alone to pursue their own happiness unless they infringe upon the rights of another. There have been some recent infringements by wandering, homeless young people.

The summer and fall of 1967 produced a bumper crop of rebellious teenage wanderers, many of them found their way to the canyon with no resources but with big expectations for adventure. My wife was operating "The Old Time Market" and was unable to resist their obvious need for a place to call "home."

They began to congregate at the store in ever larger numbers and showed their dissatisfaction with the world by rebellious forms of dress and "big talk" about their familiarity with dangerous drugs and narcotics (abbreviated ddan hereafter).

The big talk resulted in some real engagements with ddan and the store became known as the place to go to make contacts. My wife had to leave in January of this year and I was left with the children and a problem store.

The children have not been a problem to me and I feel that the experiences at the store have given them enough strength to deal with difficulties of life in a very capable manner.

In the beginning of this year there were two groups among the young people with my son, Zane among the leadership of the group opposing the use of ddan.

The other group claimed use of ddan. Both groups frequented the store and there was a lot of talk about ddan. I tried to reason with the users and help them to find some other way of feeling important, but the effort did not succeed. The offenses continued and new young people came to the store continually searching for ddan and excitement, often followed by the police.

I got the impression that there were people who thought the store was encouraging the use of ddan. The store appeared to have failed and I decided to close it when Rick Orrell asked to help to run it. I thought it was a waste of time for him and too big a burden for me and my children, even though we all had a great deal of affection for the store and the community center which it has provided for so long.

Rick prevailed, with the active arguments of my son Zane. We decided to deal with the ddan problem in a very direct way by expelling from the store any person who spoke of ddan either directly or by allusion. We took action which a police department or judge cannot possibly take.

When we decided that a person was an offender there was no explanation accepted and our action was swift and forceful when necessary. We were probably unjust on some occasions, but the store is now clear of all ddan talk.

There is no possibility of contacts being made for exchange of materials or information. The problem has not been cured, but it has been brought under control.

gone somewhere else. It is my impression that many of the young people who were using ddan have left the area completely. To identify them it is very important to have repeated opportunities to talk to them, and it helps to have a teenage helper who knows all the current and ever changing usage of words and materials. The people are continually changing, some see that they are destroying themselves and stop before it is too late, others are arriving to seek some new thing in their sparse lives.

The canyon, with the attitude of allowing everyone to find his own way, will have to take a more alert stance as long as these disturbed young people continue on their pilgrimages in search of new meaning.

An absentee landlord who rents to any young person is setting up the same situation of potential danger which we had to face at "The Old Time Market."

The young person will find that it is emotionally very difficult to prevent someone in need from moving into his place. The situation can deteriorate rapidly. When this has happened to one of the young pilgrims, he will know the danger, but he still needs support and encouragement from the older generation with their financial resources and their successful means of adjustment to the problems of life. Many of the young people are in trouble because their parents have rejected them and their problem, leaving them to struggle alone with their small fund of experience and materials.

We have not found any way to eliminate the cause of the distress of the young people, but we have formed a rallying point for those who wish to resist ddan. They need encouragement to live with pride in adequate housing with attentive, helpful concern from the older generation.

'Hound of Heaven' Is

Mr. Richard V. Peace will be the guest speaker at the Sierra Madre Congregational Church, 18 W. Sierra Madre Boulevard, Sunday, 11 a.m. His sermon topic will be, "The Hound of Heaven." Text: John 1:18.

He is home on furlough from missionary service in Africa with African Enterprise and is residing in Sierra Madre with his wife and two little girls for these nine months. As director of Special Projects, he is also responsible for the African Enterprise film ministry.

Mr. Peace studied at Yale University where he took his degree in electrical engineering followed by a theological degree at Fuller Seminary. He is currently involved in writing his Ph.D. dissertation for the University of South Africa in the general area of the psychology of conversion.

His special interest in the academic and apologetic approach to the Christian Gospel has naturally led to his role as director of University Missions.

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF SIERRA MADRE AMENDING SECTION 4208-1 OF THE SIERRA MADRE CITY CODE RELATING TO THE REMOVAL OF GARBAGE AND RUBBISH CONTAINERS FROM PUBLIC PARKWAYS

THE CITY COUNCIL OF THE CITY OF SIERRA MADRE DOES ORDAIN AS FOLLOWS:

SECTION 1. That Section 4208-1 of the Sierra Madre City Code is hereby amended to read as follows:

4208-1. Removal of Receptacles. Notwithstanding any other provision of this Code, no person shall permit or allow any garbage or rubbish receptacle or container to remain in or upon any portion of any public sidewalk, public parkway, public right-of-way or other adjacent or abutting property owned or occupied by such person, except as follows:

(1) after 4:00 o'clock p.m. on the day preceding the designation for collection of such containers or receptacles.

(2) prior to 9:00 o'clock p.m. on the day designated for collection of such containers or receptacles.

SECTION 2. That this Ordinance is hereby declared to be an urgency Ordinance, and shall take effect immediately upon its adoption. A statement of facts constituting the basis of such urgency is as follows: that numerous complaints have been received of trash and garbage receptacles being left in parkway areas and other public areas for considerable periods of time; that the same are unsightly and constitute public nuisances; that the same also constitute a potential health hazard; that the public interest, convenience and necessity require that this ordinance take effect immediately.

SECTION 3. That the City Clerk shall certify to the adoption of this Ordinance and shall cause the same to be published in the manner prescribed by law.

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF SIERRA MADRE AMENDING SECTION 4208-1 OF THE SIERRA MADRE CITY CODE RELATING TO THE REMOVAL OF GARBAGE AND RUBBISH CONTAINERS FROM PUBLIC PARKWAYS

THE CITY COUNCIL OF THE CITY OF SIERRA MADRE DOES ORDAIN AS FOLLOWS:

SECTION 1. That Section 4208-1 of the Sierra Madre City Code is hereby amended to read as follows:

4208-1. Removal of Receptacles. Notwithstanding any other provision of this Code, no person shall permit or allow any garbage or rubbish receptacle or container to remain in or upon any portion of any public sidewalk, public parkway, public right-of-way or other adjacent or abutting property owned or occupied by such person, except as follows:

(1) after 4:00 o'clock p.m. on the day preceding the designation for collection of such containers or receptacles.

(2) prior to 9:00 o'clock p.m. on the day designated for collection of such containers or receptacles.

SECTION 2. That this Ordinance is hereby declared to be an urgency Ordinance, and shall take effect immediately upon its adoption. A statement of facts constituting the basis of such urgency is as above set forth. This Ordinance shall remain in effect for a period of ninety (90) days from and after the date of adoption hereof.

SECTION 3. That the City Clerk shall certify to the adoption of this Ordinance and shall cause the same to be published in the manner prescribed by law.

PASSED, APPROVED AND ADOPTED this 23rd day of July, 1968.

ORDINANCE NO. 823

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF SIERRA MADRE AMENDING THE ZONING REGULATIONS WITH REFERENCE TO PROPERTIES CLASSIFIED IN THE "R-1" ZONE, AND DECLARING THE URGENT NATURE OF THIS ORDINANCE AND THAT IT SHALL TAKE EFFECT IMMEDIATELY.

THE CITY COUNCIL OF THE CITY OF SIERRA MADRE DOES ORDAIN AS FOLLOWS:

SECTION 1. That the City Council of the City of Sierra Madre does hereby find, determine and declare as follows:

(a) That the location of garbage and rubbish receptacles in front and side yard areas and on properties classified in Zone "R-1" constitute public nuisances and a detriment to surrounding and adjacent properties; and

(b) That in order to maintain the integrity of the "R-1" zoning regulations of this City, it is essential that such regulations be amended so as to expressly prohibit the storage and keeping of such receptacles in side and front yard areas within the City in the manner hereinafter prescribed; and

(c) That numerous complaints have been received from property owners concerning the location of such receptacles in side and front yard areas on the basis that the same constitutes an interference with the peaceful use and enjoyment of adjacent properties, and if such practice is allowed to continue without the regulations, as hereinafter set forth, irreparable injury will occur to the

Editorially Speaking ..

First, It's Taxes!

After months of wrangling, Congress finally passed a long-expected tax increase—and at the same time, voted to force cuts in government spending by \$6 billion. In commenting on passage of the tax increase package, U. S. News & World Report notes: "At this point you can be sure of one thing. Taxes are going up. You cannot be really sure that spending will go down." If precedent is any indication, spending cuts will be illusory. New spending measures could easily wipe out the pluses of any cuts. A lot depends upon whether the people themselves are ready to accept the comparatively slight sacrifices that government fiscal responsibility would call for.

Writing in the July issue of The Reader's Digest, Representative Wilbur D. Mills, chairman of the powerful House Ways and Means Committee, and often called "the most important man on Capitol Hill," tells why we must control federal spending—difficult as that may be. The pressure on Congress to appropriate tax funds is almost irresistible. These pressures are so great that many have concluded government spending is no longer controllable. Mr. Mills concedes that the difficulties are great. He describes how on one day, February 8, 1968, eleven congressional committees met to consider numerous spending proposals. These included \$1.3 billion for the Colorado River Basin, and additional billions for aid to higher education. On the same day, Congress received the President's \$3 billion foreign aid message and, in Mr. Mills' words: "That same day, more than 70 new bills were introduced, calling for everything from a new \$60,444,000 federal building to a \$150-million-a-year scientific research program." This was not all. Again, on the same day, the White House requested a \$1.2 billion supplemental appropriation for welfare spending. And the Secretary of Interior called for funds for a national shrine in North Carolina.

Even as the demands for new tax dollars mounted, spending on old programs continued. In a 24-hour period the government paid out \$174 million—\$54 million more than it took in. Mr. Mills points out that federal programs, once started, inevitably increase in scope and cost. Few ever disappear. He quotes a Tax Foundation study, which reports that in 13 years no fewer than 112 new federal programs have been launched. In the first year of their respective operations, they cost \$3.6 billion. By fiscal 1968, their annual costs had risen to \$16.5 billion. More discouraging, in the opinion of Mr. Mills, are the endless overlapping and duplication of these programs and agencies. "At present, 30 separate programs help with teacher training, 57 . . . for job training, 35 for housing. More than 260 programs administered by 16 separate agencies and departments are included in the war on poverty."

Mr. Mills believes most strongly that the only way to bring federal spending under control is through creation of a new Hoover-style commission—a 12-man, independent, bipartisan Government Program Evaluation Commission drawn from the top ranks of American leadership outside government—to be set up to go over federal programs periodically to determine whether our tax dollars are being well spent. However, in the long run, the establishment of such a commission will be in vain without public support, and a realization that the security of our homes, our jobs, our savings—and our freedom—are at stake. Without this realization, as Mr. Mills puts it, . . . even if we could eliminate every obviously wasteful government project, the expansion in federal spending would still not be curbed."

The passage of the new tax bill may have the salutary effect of helping us to realize the truth of the old saying, "what government gives, it must first take away."

Whose Crisis Is It?

The dollar crisis has spurred many government and financial community figures to cry out for tax increases in order to save the nation's fiscal position. The 10 percent surtax on incomes is considered a must, and we taxpayers will just have to face up to it. Our money and credit supply must be clamped down on; our spending reduced.

But whose crisis is it? The average citizen's? Hardly. It is a crisis born of intransigent governmental adherence to a belief that money and more money will solve all our problems; that we can have guns and butter; that our wallet will be bottomless.

A very great many Americans are getting mighty tired of being the scapegoats for this sort of fiscal fantasy. They know there is a bottom to the well and that they're getting dangerously close to it. They resent bitterly the fact that a federal government which will overspend its 1968 income by \$24 billion is asking them to tighten their belts. They consider it an abysmally poor example of budget control when unscrupulous authorizations will have ballooned to \$222.3 billion by next June 30 and probably \$236.4 billion a year later.

The time has come, the wallet owners say, for federal government to return to fiscal sanity; to trim the bulging fat; to postpone baking more pies in the sky; to set an example of fiscal prudence that will restore confidence at home and abroad. Then, if the nation's security still demands more taxes, they will be paid with a resigned but better spirit.

Whatever happened to the Stars and Stripes, the Souza marches, the picnic lunches and the Fourth of July oratory of Senator Claghorn home for the holiday to woo his constituents?

In Berkeley these traditional vestiges of this nation's number one patriotic holiday went down the tube this year under the militant pressures of the activist left. Originally denied their fun in the sun when the Berkeley City Council refused to shut off its streets for their shenanigans, the hooligans took to the streets in violent demonstrations which resulted in dozens of arrests and final crowd dispersal by police tear gas.

Later, however, the council gave in to prevent more violence and the sickest Fourth of July in recent memory went into Berkeley's history books.

FREEDOM AT ANY PRICE

by DR. HENRY V. WITTY

The following is a timely reprint in its entirety of State Senator John G. Schmitz' "Sacramento Report" on gun laws and the right of self-defense.

There are some who actually believe that unilateral military disarmament by the United States would bring peace to the world, though, in fact, it would be a one-way ticket to conquest and enslavement by aggressors who had not disarmed.

Following exactly the same line of thinking, it is argued that disarmament of law-abiding Americans through restrictive gun laws would greatly reduce the frequency of violent crime, though, in fact, it would put our good citizens at the mercy of criminals and render them unable to resist a violent take-over of our government.

The accusation that more violent crimes are committed because law-abiding citizens are free to own guns simply does not stand up to examination. New York City has forbidden handgun ownership to nearly everyone for more than forty years, yet it is one of the most unsafe places to live in the country. Here, in California, according to statistics obtained by my colleague, Senator Clark Bradley, about 80 per cent of the convicted murderers of 1966 had previous criminal records and, therefore, could not legally own any firearm . . . yet this did not stop them.

In Switzerland, the law requires every adult male to keep a gun in his home for defense of the nation as well as of himself and his family. But Switzerland has fewer murders per capita than any other nation in which crime statistics are kept.

Criminals will always be able to get guns . . . if necessary, by stealing them. No gun laws will deter them if they are not already deterred by the penalties against the major offense they plan to commit. The rising crime rate in this country has been the result, not of lax gun laws . . . actually gun laws have been considerably tightened in recent years . . . but of the failure of our courts to convict many known criminals, and the failure of leading opinion-makers in our society to teach that each of us is morally responsible for his own acts.

Nevertheless, despite these clear truths, we are now experiencing a wave of hysterical demands for new laws which would directly infringe the law-abiding citizen's right to own a gun . . . especially hand guns which

are by far the most effective in self-defense.

The emotions prompting these demands, arising from the shocking assassination of Senator Kennedy, are easy to understand. But they are being cynically exploited by persons and groups who have been working for many years to deny Americans the right to defend themselves with a gun.

The prerequisite to abolishing private ownership of any type of gun is registration. Guns can only be forcibly collected if they are first registered.

Comparisons of gun registration with automobile registration miss the point. Nobody proposes to abolish the private car. But many seriously advocate abolishing private cars. But many seriously advocate abolishing private cars. But many seriously advocate abolishing private cars.

Harold Costello is acting as soda water chemist and general assistant at Bechtelheimer's.

Paul Reinwald, the mountain climber, may return to Switzerland where he has an offer of a position as guide in the Alps, near his former home. He is hesitating over the acceptance of the offer as he has been naturalized and is much in love with this country. Reinwald has made some remarkable records in the mountains of this vicinity. Last Sunday he ascended Mt. Wilson in one hour and 50 minutes. He returned by way of Sturtevant's camp in two hours three minutes, making the whole trip of about 22 miles in three hours 53 minutes, not counting a short rest at the peak. The position which has been offered Reinwald will not be open till January. So he may be seen in the next race for the Police Gazette medal which will probably be held in the fall.

Nine years old Tommy MacArthur and his 7 year old sister, Jane Ann now have a baby brother, thanks to parents Thomas and Mary Ellen MacArthur. Baby was born at Arcadia Methodist Hospital on July 19 and was named Matthew Douglas. Matthew weighed 7 pounds 6 ounces at birth. Maternal grandmother, Mrs. Clyde Romney of Monrovia has been playing hostess to Tommy and Jane Ann and will continue to do so for a little while longer. Mrs. Edith MacArthur of Felton, Calif., is the paternal grandmother. The MacArthur family resides at 100 Vista Circle.

Time is money, so if you find yourself with a lot of time on your hands you have probably made a bad investment.

PREP GRIDFEST DUCATS AVAILABLE
TICKETS FOR THE THIRD ANNUAL San Gabriel Valley high school All-Star grid clash at Citrus Stadium, Thursday night, August 15, are now on sale at 23 locations about the southland and all Mutual Ticket Agencies.

AREA TICKET OUTLETS are Irv Noren's Sporting Goods in Pasadena, Wheeler's Sporting Goods and the Mayflower Market in Arcadia.

PISTOL PETE YODER will start to work with his West squad Thursday afternoon for the initial skull sessions, picture taking on Friday and the first day of head-knocking. Both clubs have 12 days of practice. Yoder has picked Eagle Rock mentor Chuck Williams as his number one assistant. Incidentally both Gerald Pierre and Delton Lewis of Yoder's Blair team will play for him in the All-Star classic.

WALT GURNEY, former Muir High School grid star, who will coach the Eastern team, picked Esper Keiser of Claremont as his assistant.

IF THE PERFORMANCE IN THE first two games is any indication, fans can expect to see a dandy game on the 15th. Tom Hamilton's Westerners won the initial encounter 29-26 in a high-scoring thriller and last year the West again prevailed 14-7 with Duarte's Bob McHenry the standout.

JOHNNY MCKAY'S assistant coach Craig Fertig is a chip off the old McKay block. Tells jokes the same way and is a fine after dinner speaker. Fertig and Troy ace, O. J. Simpson were special guests of the Glendora Rotary at their All-Star kickoff luncheon. O. J. is a highly intelligent young man, oozes confidence, does not act in the least cocky and has such an infectious personality that even Bruin fans thing he is great.

FERTIG told the gathering that Temple City's big Bob Brown, top player in the first All-Star clash and now fullbacking for USC, would be the number two backup man for Troy. "He has learned to block," said Fertig, "and that is most important in our system."

ROD SHERMAN has been looking great at flanker-back for the new Cincinnati Bengals pro club.

WHEN WILL BASEBALL adopt a video replay system for questionable calls by the umpires?
OLD HANKUS likes the new extra point rule that will be tried out by the pros this year. Gives the coach a chance to coach and should eliminate those miserable tie games.

AREN'T EXHIBITION baseball games in the middle of the season the height of ridiculousness? (Is there such a word?) After a strenuous pre-season campaign plus 162 games, who needs another one?

ARCADIA'S BILLY SEIN-SOTH was picked on the Sporting News All-American baseball team although he wasn't even accorded all-conference honors at Troy. The champion Trojans dominated the thing with Rod Dedeaux named coach of the year and second-base-man Pat Harrison also on the first team.

JIM "MUDCAT" GRANT is one of the most refreshing athletes to come along in some time. He doesn't hesitate to say what he thinks and he makes good sense. Would you believe he isn't very fond of the Minnesota management.

QUOTABLE QUOTE from O. J. Simpson when asked if he had a preference for the pro team that he would sign after his USC playing days: "Yes sir, I have a preference. The team with the most money."

ST. LOUIS probably doesn't rate with the old Gashouse Gang but this year's lineup doesn't miss by much. And Bullet Bob Gibson has to rate with the best Card hurlers of all time.

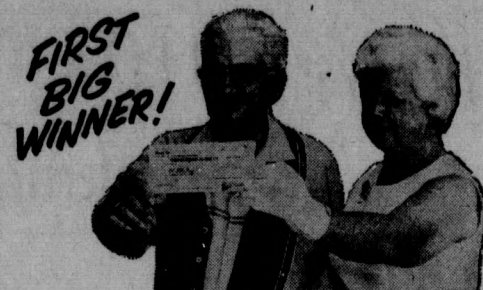

BETCHA NICKEL that neither Denny McLain nor Juan Marichal win 30 games.

GEORGE ALLEN didn't really figure Rosey Grier would be able to play this year. The same cannot be said for Deacon Jones.

THERE SEEMS TO BE more than just rumor to the rumblings about Don Drysdale hanging up his spitball for a chance to coach at San Diego. Same goes for Bill Rigney moving to San Francisco from the Angels.

ARTIE DEE
Transportation Editor

The RTD has just published the new, colorful "21 Guide Yourself Trips by ExtraCAR." This is a step by step do-it-yourself tour guide to some of the most exciting places in Southern California. Easy to read, fun to do, you will enjoy the sights and sounds described in this folder. Drop old Artie Dee a line and let me send you your copy along with a system map.

Riding to work this morning from West Covina was a refreshing experience. Not only was I able to take my usual beauty nap, but I did it in air conditioned comfort. Now, maybe your family chariot is blessed with air conditioning, but ours is hotter than a two-dollar pistol. I appreciate the chance to relax in cool, cool comfort. The RTD had over 200 of these air conditioned beauties running around, so take a tip and keep your cool on an RTD bus.

The good folks down at RTD tell me they are needing bus operators and diesel mechanics. Those of you who need a job, or a better job, would be smart to look into this opportunity. They tell me the work is steady, interesting and rewarding, not to mention the many benefits that go along with these jobs. If you are interested, or know of anyone who might be interested, visit 1060 South Broadway, Los Angeles, Room 608, between 9 a.m. and 4 p.m. For information regarding employment, call RI 9-6977, extension 284 or 285.

One of the "back to school" items that should be high on parents' list is the new fall student I.D. card. Not only does this provide Junior or Susie with pre-paid bus transportation, seven days a week, but at a substantial savings, too. Check with your school as soon as possible.

Q. Can you tell me what bus I could take on Garvey and Central to go to the El Monte mall? Also, how often do they run? E.R.

A. All 63 buses on Garvey go to the station, so catch any one. They run about every half hour. I'll send you a timetable and a map.

Q. What bus can I take to go to Placentia from Montebello? Mrs. J.C.

A. The 72 line on Whittier Boulevard in Montebello will take you to Fullerton, where you can catch the 124 to Placentia.

Q. Please tell me how to get from Baldwin and Las Tunas to Pomona (Towne and Foothill). M.A.H.

A. Either walk or take the 52 line to Temple City Boulevard and Las Tunas and catch the 108 line to Valley and Rosemead. Change to the 53 line to Pomona. Pomona has a local bus company that goes near your destination.

Q. How can I get to Marineland from Baldwin Park by bus? Mrs. P.L.T.

A. The 53 line running through Baldwin Park on Ramond Boulevard will take you to 5th and Spring, where you can catch the 125 line direct to Marineland. I'll send you both timetables.

Send your questions to Transportation Editor, Artie Dee, care of this newspaper. All questions will be answered in the column, or by mail. A system map will be sent FREE to each person writing in. NO STAMPS OR STAMPED ENVELOPES ARE NECESSARY.

Sierra Madre Divers Win 2nd

At the second invitational diving meet sponsored by the County of Los Angeles Recreation Department held at Arcadia High School, Sierra Madre Swim Club divers dove to second place. Arcadia won handily with City of Commerce a very close third.

Local divers placing were: Twelve and under, girls, Leigh Jacobsen, 8th; 12 and under boys, Walter Thistlewaite, 4th; 13 and 14, girls, Wendy Reeder, 3rd, Dominique Gisselle Paschall, 5th.

Also, 13 and 14, boys, Jamie Wilson, 3rd; 15 and 17, boys, George Matskovich, 2nd, Rocky Marshall, 3rd and Kurt Skarin, 6th.

The divers, currently coached by Roger Keith, will now be under the direction of their former coach, Bruce Trent, who is welcomed back after a two-year hitch in the Army. Any interested divers are welcome to attend and try-out any Monday, Wednesday or Friday from 7 p.m. at the municipal pool.

The next diving meet is August 10, at Cal State L.A. starting at 9 a.m. It is the Los Angeles County Diving Championships.

Letters To The Editor . . .

Dear Editor:

Though neither the Democrats nor the Republicans have begun construction of their "Platforms" yet, we have a pretty good idea as to what the finished product will look like.

Even at this early stage the lumber that goes into the "Planks" of the Platforms have a familiar look and feel.

More and more they are stealing material from the GEORGE WALLACE speeches.

So when the three contestants come into the home stretch they will all look and sound alike until some meanie remembers old Al Smith and says: "Now, let's look at the record." Then two of these fellows will look as phony as a three dollar bill.

— C. T. Gilbreath

A good joke is heard far and wide and for many years.

Swim Team Makes Headway

In the final weeks before the Los Angeles County Championships, swimmers from the Sierra Madre Swim Club have shown steady improvement and promise to top last year's performance in the biggest meet of the season.

On July 13 the local water bugs met the powerful Arcadia Club and were soundly defeated 336 to 96. Making strong showings in the losing cause were Alex McDonald, Andy Rogers, William McDonald, Owen Lubow, Leigh Jacobsen, Jimmy Jacobsen, with single wins and double-victor W. C. Starkweather.

On July 25 the Piranhas gained further valuable experience with the AAU Pasadena Bullfrogs at PCC. The bullfrogs swamped the local swimmers 327-137, although several team members continued their winning ways. William McDonald, Alex Mc Donald, Sue Banis, Roark Paschall and W. C. Starkweather.

Winning combinations in the relays were the boys 9-10 (Dan Banis, Bill Poolman, Dana Knicklebein, and Alex Mc Donald); girls, 9-10 (Carol Flounoy, Elizabeth Ballard, Krista Erpenbeck, and Amanda Smith).

Girls, 11-12 (Cindy Scott, Adrienne John, Leigh Jacobsen, Joanne Ball), and the 13-14 boys (Roark Paschall, Joe Erpenbeck, Andy Rogers, John Cowan).

The Sierra Madre Club tasted victory on the following day against Duarte, emerging from the froth with a win. Leading the way were the workhorses of the team: William McDonald, Alex Mc Donald, Paul Pfeiffer, Debbie Temple, Leigh Jacobson, Joanne Ball, Roark Paschall, Andy Rogers, Jenny Jacobson, Peggy Ballard, Mark Brown, and W. C. Starkweather.

Many new stars also appeared for Sierra Madre with hard-fought wins including Matt Brown, Tony Nickoloff, Owen Lubow (2 wins), Mary Margaret Cummings, Amanda Smith, Carol Flounoy (2), Kevin Paschall, Mitch Mitchell, Edward Rogers, Nair Paschall, and Laura Hernandez.

Barely dry from the previous day's swim, Sierra Madre met Alhambra July 27 and lost a heartbreaker,

245 to 217. Leading the assault against the Tigershark team were double winners Kathy Cowan, 8 and under) in the freestyle and backstroke; Dan Banis, 9 and 10, in the freestyle and backstroke; Carol Flounoy, 9 and 10, in the freestyle and butterfly; John Cowan, 13 and 14, in the freestyle and breaststroke; Andy Rogers, 13 and 14, in the butterfly and 100-yard freestyle; Owen Lubow, 9 and 10, in the breaststroke and butterfly, and W. C. Starkweather, 15-17, in the freestyle and butterfly.

Also contributing to a fine team effort to catch Alhambra were single event winners, Mary M. Cummings, Amanda Smith, Kevin Paschall, Leigh Jacobsen, Laura Hernandez, William McDonald, Steve Hardy, Roark Paschall, Peggy Bullard, Susan Banis, the boys and girls 9 and 10 freestyle relay, the boys 13 and 14 freestyle relay, and the girls 15-17 freestyle relay.

Coach Keith had this to say about the season thus far: "The kids have done real well this year so far, and have been hindered by a lack of depth in older girls and boys all around. I hope that the town will turn out and support them at the Los Angeles County Open Area Championship, Saturday, August 10 at Rosemead High School at 8 a.m."

'Teleservice' Big Success

According to the management at Altadena Federal Savings, the Association's newly inaugurated "Teleservice" is attracting considerable public response.

This special telephone service approach which began July 1, provides Association customers with an "instant action" method of opening a new savings account, starting a home improvement loan, or obtaining just any other Association service. In Los Angeles County, the "Teleservice" number to call is 794-1161.

Arthur L. Ferris, president and general manager of the Association, stated: "So far the comment of our customers regarding Teleservice has been overwhelmingly favorable. It's the kind of approach people appreciate in this hurry-up age."

Nowdays a very common complaint is that now there are too many things to do and not enough time to do them in. As a result, certain things such as regular savings program, are often neglected. Our Teleservice provides a remedy for this . . . a phone call is all it takes to transact business with any of our offices. Think of all the time and money this will save over the period of a year."

Altadena Federal Savings' head office is located at 2246 N. Lake Ave., Altadena. The Association also maintains a regional office in Pasadena at 1945 E. Washington Blvd.

John G. Yarger Receives Pin For Blood Donations

There are plenty of owners of ten-gallon hats. But John G. Yarger, 1312 E. Loma Alta, Altadena, is the proud possessor of a six-gallon pin. And very few persons, anywhere, can claim that distinction, according to local Red Cross officials.

The award was made to Mr. Yarger by William P. Jeffs, Blood Program director for the Pasadena Chapter, American National Red Cross, on the recent occasion when Yarger donated his 48th pint of blood. He has been making regular donations, as often as permitted, for the past 14 years.

In commenting on Yarger's contribution the Red Cross director stated: "Certainly you at Pasadena Federal Savings may be justly proud to have such a community-minded employee in your organization." Mr. Yarger is a loan counselor at the savings and loan association.

Barbershop Singers Meet Wednesdays

The Arcadia Barbershop Singers' Gaslight Chorus held an open house last evening, Wednesday, July 24 at the Holly Avenue School in Arcadia. (The school is located on Holly Avenue and Duarte Road.)

A busy, and talented lot, the Gaslight Chorus recently sang at Cerritos College, the Pomona Golf Club, the Arcadia Chamber of Commerce, the Los Angeles Music Center and at the Pab's Brewery for the Elks' Emblem Club.

In the Southern California contest for Barbershop Singers, held in June in Riverside, the Chorus won second place. They are now scheduled to go to Las Vegas in October to compete in the Far Western District competitions which includes entrants from five states. (Winners in this contest will go to St. Louis, at a later date, for more competitions.) Incidentally, the quartet, "Golden Staters" placed third in an interna-

FROM THE Fire Side

Well, at least one of the firemen showed up, but only partially at a night fire last week. Evans forgot and left his teeth at home, and from what we understand the chief will deduct a partial payment from the night fire pay for "incomplete response." Doggone it, just about the time you get Clarky squared away and he shows up with his chop-pers in place, somebody else pulls a boo boo.

We see Lee Graves is back in town from his vacation in Missouri. He's returned with a drawl that you could cut with a knife. And he keeps repeating, "I'm from Missouri, you have to show me."

Boy some people sure do develop quick accents. But he's not fooling anybody. Just show him a few black eye peas and hominy grits and he turns green.

Welcome back, Lee!

Don Burleque was out of town for several days, too. He attended a seminar in Riverside and says he picked up a lot of useful information there which he says he will share with his fire buddies. The only good thing we heard from him so far is the joke:

"Do you know how porcupines make love?" "Very carefully."

tional competition held this month in Cincinnati.

Tickets will soon be available for the annual Barbershop Show to be held this year on September 28 at the Monrovia High School. Last year it was a success . . . and a sellout . . . over 1300 tickets were sold.

This singing organization meets weekly on Wednesday evenings at the Holly Avenue School and anyone interested in singing is invited to attend. For further questions, phone either "Yip" Lakin at 355-2410 or Francis Eakman at 355-6981, both Sierra Madreans who belong to the Chorus.

Mr. & Mrs. Wm. E. Thompson Now Settled In S.B.

Settled, and living at 512 Hot Springs Road in Santa Barbara, are Mr. and Mrs. William E. Thompson (nee Joan Pamela Frederick) after their wedding on June 16.

The bride is the daughter of Mr. and Mrs. Robert B. Frederick of Sierra Madre. The bridegroom's parents are Mr. and Mrs. H. O. Thompson of Canoga Park.

The ceremony took place on the back lawn of an old estate in Montecito, Calif. The bridegroom's uncle, Donald Pyke and Judge Patillo, of Carpentaria officiated.

The two witnesses were Mr. and Mrs. Donald O. Thompson, the bridegroom's brother and his wife. They are currently living in Canoga Park.

The reception followed on the tennis court, and was an exquisite buffet lunch prepared by the bride's mother. Music was provided by a local group of Santa Barbara, The Blue Wood.

The bride wore a white voile dress with detailed tucking and carried a yellow rose. The bride's mother chose a yellow linen dress, and the bridegroom's mother wore a beige lace dress. Both mothers and matron of honor were given butterfly orchid corsages.

The bride and groom are both graduates of the University of California at Santa Barbara. The bridegroom is employed as a commercial artist in Santa Barbara.

The couple plan a delayed wedding trip to the Tetons and Wyoming for the month of August.

Actor David Tomlinson accepted a Kaycee Award for decency in motion picture programming on behalf of the Walt Disney organization as a high point of the 53rd annual convention of Kiwanis International in Toronto, Ontario, Canada, on Tuesday, July 2, according to Guy Rossi, president of the Kiwanis Club of Sierra Madre.

Elected President

Harold M. Heimbach, Los Angeles attorney, was elected president of Kiwanis International recently at the organization's 53rd annual convention in Toronto, Ontario, according to Guy Rossi, president of the Kiwanis Club of Sierra Madre.

NOTICE OF PROPOSED CONDITIONAL USE PERMIT FOR SUBDIVISION

NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Sierra Madre will hold a public hearing Thursday, August 15, 1968 at 8:00 p.m. in the Council Chambers of the City Hall, 55 West Sierra Madre Boulevard, Sierra Madre, California, in regard to a CUP-626-68 pc, a portion of Lot 23, Sierra Madre Tract; portion of Tract 238 said property contains approximately 1.3 acres.

In accordance with City Code Section 9410.4, the following information concerning this application is provided:

1. The density of four lots in 1.3 gross acres does not comply with the two lots per gross acre permitted by Section 9410.4-1.

2. Access to the proposed four lots is to be over a dedicated public street located at the southerly side of the intersection of Canyon Crest and Orange Drive; frontage for parcels 1, 3 & 4 is to be on this public street, with parcel 2 fronting on Canyon Crest.

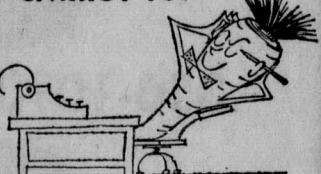

3. Minor grading is proposed on these parcels. None of the proposed parcels comply with the requirement of a maximum of 10% slope for a level 6,000 sq. ft. pad area.

4. All other proposals are in accordance with the CUP Hillside Ordinance.

Application and drawings are on file in the office of the Secretary of the Planning Commission.

The application for said Conditional Use Permit is based upon the grounds that there are special circumstances attached to said property which generally do not apply to other properties in the same district and vicinity; that the granting of a Conditional Use Permit as aforesaid will not result in a material damage or prejudice of other property nor be detrimental to the public welfare or injurious to persons in the vicinity thereof, in that the proposed Conditional Use Permit, if granted,

Evidently, consumers are competent enough to select presidents, wives and husbands, to select schools for their children, but not to pick breakfast foods or to decide to subscribe to "Consumers Report." Apparently, only the federal government can make such decisions soundly . . . at least, the information from Washington seems to indicate.

—CT—

Well, it looks as though the decision to reconstruct the Sierra Madre Canyon Wash has been decided. It's a million dollar project that will start sometime during the spring, probably in April . . . This will be an exciting time . . . every Council meeting from that day on will be filled with complaints . . . Notice to all engineers and workers . . . better be fitted today with "armor plate . . . you will need it come spring in the Canyon.

—CT—

There will be plenty of problems during the construction. Patience will be the by-word and it will have to be a long time of extra long and deep patience . . . traffic will be slow and hard to get around. Many people will be inconvenienced with parking and having their area torn up. . . . But I always say . . . "This, Too, Will Pass." . . . In 1970 we can have a "New City Hall" to argue about. . . . the Canyon Wash will be all done and by that time most of it forgotten in the battles ahead.

—CT—

We will close this week's column with a little observation . . . We don't hear so much now about a little inflation being good for the country. We have reached the point where even the most slow-witted should perceive that they can't keep ahead of the game. According to official figures, the U. S. dollar lost 3.5 cents in purchasing power during 1967. This year economists predict the dollar will suffer a loss of 5.5 cents. Federal spending and the huge budget are cited as the principal causes.

—CT—

During the fourth quarter of 1967, the average per capita income after taxes rose \$33 with all but \$6 of it eaten by inflation. As time goes on, if inflation is not halted, wages and income increases will mean less and less. Keeping up with inflation resembles trying to run alongside an express train as it pulls out of the station.

—CT—

Inflation should be stopped at its source. Federal spending on limitless welfare programs will gradually become meaningless as federal budget deficits feed the fires of more inflation, should be brought to an end, I hope, I hope, I hope.

Letters To the Editor . . .

Dear Editor:

Americans have requested their government to cut spending, and Congress followed through by passing President Johnson's proposed sur tax. That is to say, the Americans are now requested to pay an additional ten per cent in income tax as a bribe to have their government stop wasting their hard-earned dollars.

Not surprisingly, the bureaucrats responded in a typically bureaucratic way. Where did they start cutting spending? Did they start cutting in the Office of Economic Opportunity, through which the government is financing insurrection in America's major cities? No. Did they start cutting spending by stopping the aid to countries supporting the Viet Cong? No. Did they start cutting spending by stopping the practice of paying farmers not to grow crops? No.

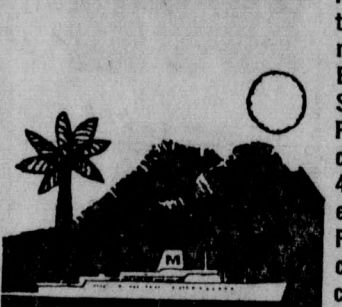

None of these areas was affected by the spending cut. Rather, the cutting was instituted in an area where all Americans would be affected, thereby realizing their government was really going to work to cut

tion of Justice called for state registration of all firearms within five years, and federal registration if all states had not acted within that time. Now, aided and abetted by propaganda taking advantage of Senator Kennedy's tragic death, the drive has begun for gun registration in California. Whatever the cost in temporary unpopularity and news media abuse, this drive must be resisted with all strength.

If guns are registered as a result of one killing, they can be confiscated as a result of another. In a period when crime and riots have been so widespread, to disarm the good man is to insure the triumph of the destroyer.

spending — in the Post Office Department. Of course, early this year, postage rates were increased, supposedly in an effort to reduce the Post Office Department's deficit and speed up service. Apparently those postage increases just did not do the job, however, so the Post Office was chosen as the sacrificial lamb — the place to cut spending.

Of course, that makes a tremendous amount of sense — at least to the bureaucratic mind. The American citizen is forced to pay a bribe, he pays increased taxes, he is charged more for his postal service, and then the bureaucrats plan to cut his postal service. This is simply another sign of the total depravity of our government.

The only possibility that these plans will be changed is at the point this decreased postal service slows down the mail service to such a degree that it affects the delivery of welfare checks. If that happens, the entire matter might be taken to the Supreme Court.

It is unfortunate that the Post Office Department cannot simply be sold to a free enterprise operation. That would not only save money, in all likelihood it would improve the service.

the party voter a direct vote in the selection of party candidates. 7. The enforcement of a law against race track gambling.

As all official utterances of the Lincoln-Roosevelt Republican league have emphasized, the league will not oppose any Republican nominee. Its fight is being made at the primaries, where every Republican has a right to express himself as to who shall be the candidates and who shall compose the committees that conduct campaigns, and that have power to play into the hands of the machine or stand for fairness as between all Republicans. It has been committees dominated by the railroad machine that have this year denied to Republican voters in many parts of the state the right to vote for delegates, one of the most outrageous and flagrant cases being that recently perpetrated in Orange County in the interests of railroad candidates. Now the Lincoln-Roosevelt league has put the situation up to the Republican voters. It will be satisfied with their verdict wherever there is an opportunity for it to be expressed. After the conventions are held, the occasion for the league's activities in this campaign will have passed. It will support the ticket, and the responsibility for the ticket and for the character of the men who have control of the party organization rests with the majority of Republican voters. They can eliminate machine control if they will.

Forty Years Ago

August 3, 1928
Young Mr. Norman Nicolet of Bakersfield came down to visit his grandparents, Mr. and Mrs. O. L. Bergen of Victoria, Lane, and possibly to establish a record as the youngest airplane passenger. For the young man is only two weeks old. He was brought to Sierra Madre on Sunday by his mother, Mrs. A. E. Nicolet, who wanted to bring him just as soon as possible and in the quickest way to see his grandparents.

The trip was made in one of the regular Ford passenger planes of the Maddux Airlines. They landed at the Maddux airport after a trip much easier and more comfortable than a train or automobile trip. Officials of the airline declared the baby was certainly the youngest passenger any of them had ever seen.

Rudolph Hartman took his family to Newport Beach last Friday. He spent a few days with them there and then returned to his post in the drug store while the family remained for a longer outing.

George Norris and daughter Catherine hiked up to Fern Lodge on Tuesday to spend a few days. The young lady refused to ride up the trail and delighted her dad by taking his pace and making the trip as easily as he did.

Mrs. C. E. Eddy, son Clarence and daughter, Miss

Dorothy, of Santa Ana were guests of Mr. and Mrs. W. B. Corum over the weekend. Mrs. Eddy enjoyed the opportunity for a visit with her niece, Miss Dacie Pisco of Grand Rapids, Michigan, who is spending the summer with Mr. and Mrs. Corum.

Mr. and Mrs. Arthur T. Evans and family returned home Sunday from Lake Arrowhead where they enjoyed a week's outing.

Several dozen youngsters turned out last week for the pet show sponsored by the Parks and Recreation Department here. Among pets entered were a skunk, a turtle and a tarantula, which despite tales to the contrary, is a shy, relatively harmless creature. The winners were: Sharon Tyree, who entered the best-groomed dog, a boxer pup with his "ears up"; Beverly Roane, smallest pet, a turtle; Claude Fritz, most unusual, a skunk; Robert Paige, cocker spaniel pup, grand prize; Wendy Rogers, best behaved, a cat in a cage, and Dolores Schramm, biggest, a collie.

Going-away ceremonies for Dr. Lowell D. Jackson, superintendent of schools here, were held by the Kiwanis Club at the group's Tuesday luncheon. Dr. Jackson, who resigned to accept an associate professorship in education at the University of Hawaii, was presented a brightly colored straw hat.

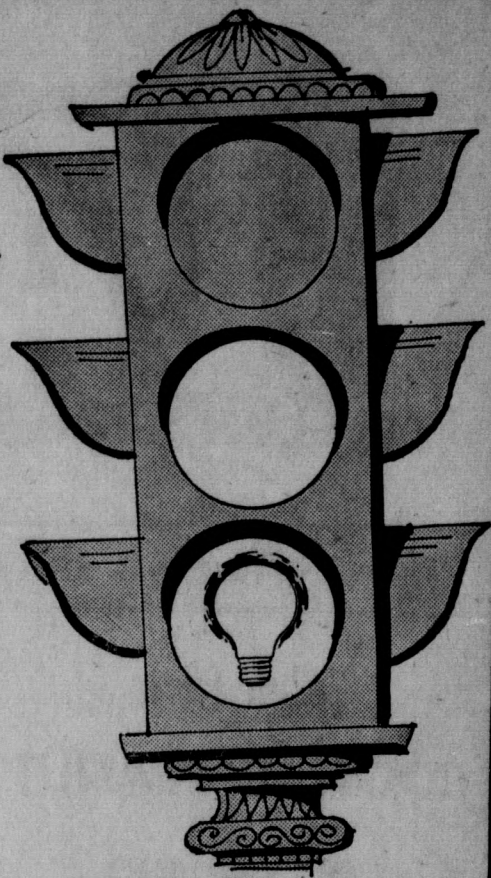

Now that Peggy Howvert and family have returned from the refrigerated waters of Jackson Lake (accompanied by Jane Buchan and two children) when they trailer-camped at Wrightwood, they're mapping plans for the family's annual two-week trek to Kansas. (Peggy, member of the musically talented Norris family, still works on her unique art medium — that of first carving a picture on linden wood and then painting over the carving).

Friendly real estate agentress, Lola Rudbach (with daughter, Jana) is on a week's frolicking survey of Uncle Sam's real estate holdings at Yosemite National Park.

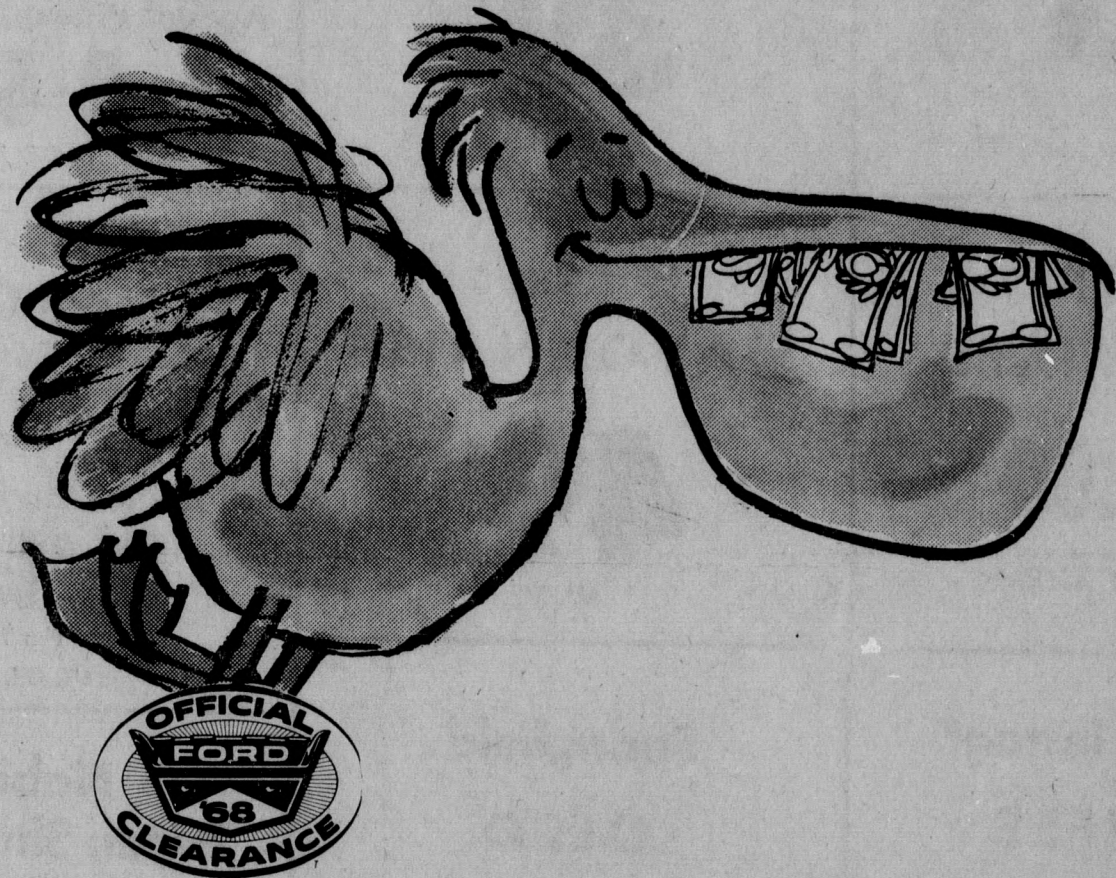

Pat Tyler and Clare Morris were co-hosts at a party held in the James Bryce Tyler home, 223 San Gabriel Ct., last week. The evening's festivities included a scavenger hunt and dancing. Those in attendance were: Eleanor Herzberg, Mavis Morgan, Jim McRobert, Sally Thayer, Chris Bryant, Delcie Mansfield, Doran Brett, Kristine Peckhoff, Glenn Bonney, Terry Wier, Tom Chevarria, Barbara Simon, Joel La Lone and Bill Herold.

Self-made women will never replace the self-made man — they change their minds too often.
